ComCom – guaranteed comfort and crystal-clear communication guaranteed!

Does your headset suit your every need while being comfortable at the same time?

Do you always understand your caller's voice in noisy situations?

Is your voice perfectly understandable in noisy environments?

Can you use both hands freely during a call?

ComCom is the ultimate headset, which can be connected easily with multiple adapters to many mobile phones.

The four most important advantages of ComCom

- 1 Long-lasting comfort
 - » Feather-light and perfectly fitting to the ear, ComCom stays in place
- 2 Excellent speech intelligibility
 - » Thanks to a miniature high-tech loudspeaker integrated into a noise-isolating earmold
- 3 Clear speech transmission
 - » Due to a noise-cancelling microphone close to the mouth
- 4 Total freedom of movement
 - » During a call, you will have both hands free to do other things
